

WRECKER

20CS

The 20CS is light, agile and strong ; the perfect recruit to conquer new markets. The Slider System offers unmatched payload, while the smaller size of th 20CS means incredible maneuverability and versatility.

Surprisingly easy to handle, the 20CS shines in the harshest urban conditions. This work-beast is built small enough for narrow roads, yet strong enough to never let you down. Maximum performance, astonishing versatility and reduced maintenance costs, all combined into a stylish composite body. We've built your newest business partner.
