Power Steam Press HS-26

Power Steam Press HS-26

True & Tidy's 1200 watt anti drip heating system allows you to steam whatever you want, however you want - it works both horizontally and vertically. Powerful, continuous steam to refresh fabrics and release wrinkles. The soft grip handle and automatic shut off feature is great for travel or use around the house. Steam reaches temperatures of over 220 degrees Fahrenheit, so it naturally sanitizes and helps eliminate allergens and dust mites on most clothing fabric types, drapes, tablecloths, couches, cushions, plush toys, even silk flowers!
