

New England Truck Center is seeking to hire skilled and motivated heavy duty **Truck Builder – Fabricators**.

Experience is preferred. Prior Heavy Duty build experience is a plus. We are looking for techs that have a great attitude and strong work ethic and a desire to be a part of a forward-looking team in a growing company.

NH State Inspection License is helpful.

**Duties Include:**

- Dismantle, reassemble and up-fit Trucks and Wreckers according to build plan and specifications utilizing using hand tools, power tools, such as band saw, plasma cutter, sander, and hand drill.
- Lay out dimensions on metal stock, such as sheet metal and angle iron, using square, rule, and punch.
- Fit and assemble components, using hand tools and portable power tools, such as plasma cutter, drills, and welding apparatus.
- Working with hydraulics.
- Install electrical wiring for strobe lights, taillights, brake lights, and other equipment according to specified procedures.
- Troubleshoot mechanical and electrical equipment.
- Install and repair pumps and PTO's.
- Locate and repair air and hydraulic leaks.
- Spray or brush paint, primer, or protective coating on metal surfaces.

**Qualifications:**

- Minimum 2 years' experience within Automotive Industry.
- A background in Welding/Fabrication.

**Compensation: \$22-\$29 hourly (based on experience)**

**Benefits:**

We offer exceptional compensations and benefits packages including 401(k), vacation, health, vision, dental insurances, holiday pay, and opportunity for advancement.
