Our M-CLST Fixture is a Round LED Lighted Closet Bar made from extruded Aluminum with a Frosted Polycarbonate Lens. Powered by our M-LIGHT LEDs, with a Plug-in LED Driver. It is available with an Anodized Finish, or can be Powder Coated with any of a number of available colors. It is also available with an IR Sensor to so that the LEDs inside the Closet Bar turn on when the closet door(s) is/are opened. Can be custom made to any length up to 2.0m and is available in a range of finishes.
