

New England Truck Center is seeking to hire skilled and motivated **Wiring Technician**.

Experience with 12V wiring in the auto industry preferred. We are looking for a technician that has a great attitude and strong work ethic and a desire to be a part of a forward-looking team in a growing company.

Duties Include:

- Install strobe lighting, taillights, brake controllers, and other after market parts on trucks and truck bodies.
- Fit and assemble components, such as lighting mounts and support brackets using hand tools and portable power tools, such as plasma cutter, drills, band saw, and welder.
- Understanding and reading electrical diagrams when problems arise.
- Troubleshoot mechanical and electrical components when necessary.

Qualifications:

- Experience with 12v electrical wiring.
- Valid driver's license.

Compensation: \$24-\$30 hourly (based on experience)

Schedule is Monday - Friday, approximately 45 Hours Weekly.
