QUICKSWAP & TAG AXLE

The Quickswap & Tag Axle isn't just in a class of its own. It's started its own class. A sturdy and simple detachable design that turns into an innovative solution to propel your business.

Combined to a Tag Axle, your Quickwap will tow the world and stop on a dime. The additional set of brakes makes you stay in control, while the adjustable air ride suspension gives you outstanding driveability. 3 words: versatile, powerful, and profitable.
